At Which Time Will Be Seen Thousands of the Most Charming Trimmed and Untrimmed Hats All Attractively Displayed in Our Enlarged Millinery Store

The millinery store nearly doubled in size to accommodate the immense varieties of styles necessary for our wonderful millinery business.

It forms a display that immediately impresses you with the fact that no matter what your taste in millinery, it CAN be gratified, and to your entire satisfaction.

Everything is here, from the quaint Poke Hats and perky little Turbans to the huge Hats with softly undulating brims, for this is a season of practically unprecedented beauty, womanliness and refinement in fashions. Throughout the entire exhibit quality is the keynote at every price.

Most conspicuous of all new features are the exquisite colorings,

although there are plenty of plain black and white. We cannot begin to describe the beauties to be found here—you must see in person our immense stock, which is second to none in the south.

## Kann's \$5.00 Trimmed Hats Are Unequaled

Because we make a specialty of Hats to sell at this price and each season raise the standard in every way. Best of all, each Hat is individual.

Of the 500 on Display at This Writing There Are No Two Alike

And there will be no duplicates made, so when you buy you may do so with the satisfaction of knowing you have the only Hat of its kind.

Every new shape is seen—smart Turbans, little Walking Hats with flare on side, Straight Sailors, Sailors with roll in back, little Pokes, etc., trimmed with flowers, ribbons, wings, birds and imitation gaura.

Colors include rose, light and dark gray, sand, tete de negre, dark and light blue, green, purple, black, etc.

Is Attracted to the Wonderful Spring Display of

### Novelty Handkerchiefs

With the feminine desire for that which attracts, the Interviewer was irresistibly drawn to the new display of Handkerchiefs as she passed that department in Kann's yesterday.

Instead of the plain white linen square of old, the Handkerchief has become an important accessory to the spring wardrobe, in which designers have let their art run riot.

Among the pretty crepe de chine in a green field, flower ladies, over which a host of gorgeous butterflies are fluttering.

Butterflies everywhere, in every color and design, alone or with flowers, in exquisite hand-embroidered effects.

Running the butterfly a close race for popularity is the "robin-red-breast," perched on a branch, and the "blue bird," pouring forth his spring song, rests on a branch brimming with roses.

Entire Handkerchiefs are covered with roses and ruffled robes, and some are with new black and white broken stripe borders interspersed with flowers.

In the new French quilt and exquisite color Handkerchiefs, oriental, butterfly and flowers, in wonderful color effects, lead in popularity.

So will purchase any of these, from the simplest to the most elaborate.
